Jen

How about late morning like 10:00am to 1pm, plus or minus. We haven't heard back from everyone, but that would give our Seattle folks time to travel down in the morning & get back on the road in the early afternoon.

Jennifer, I am still working on this. Monday does not work for some key  
people. Right now we are looking at Friday. Hopefully we can confirm  
this tomorrow.

We can have this in Portland. Monday afternoon (say 1 - 3) probably works best for us. Let me know if this works and I will send out a tentative meeting request.

FW: Scheduling of ARARs meeting

Chip, Eric,

It was requested that I coordinate an ARARs meeting the week of September 21st. Can we hold the meeting in Portland?

The LWG is available on Monday, September 21st or Friday, September 25th. How do these dates work for your team?

How long do you want to allocate to the meeting, 3 hours?
